## VILLA AIGRETTES

A home in the Tropics

### DESCRIPTION

Situated in one of the oldest and well established residential area; the Villa Aigrettes with character and charm lies on a beachfront property in a tropical garden.

This one level beachfront villa is surrounded by a tropical garden and can accommodate 8 persons. The dining, living and TV area are combined into one spacious room with access to a terrace, overlooking a large garden and the Pointe d'Esny beach. The furniture is simple but comfortable and the sunlight is invited into the villa through the many windows and terrace access bringing the tropical atmosphere in and at the same time inviting the guest to come out and enjoy the environment.

The Blue Bay marine park (plentiful exotic fish and coral) 10 minutes drive by the small coastal road and the colourful township of Mahebourg in the other direction. Pointe d'Esny is the perfect location for those who are looking for a place to discover Mauritius (from the Southeast to Southwest of the Island). Or for those who simply want a holiday to unwind and "get away from it all".
