## VILLA ORCHIDEES

A home in the Tropics

### DESCRIPTION

Villa Orchidées, situated at the well known residential area of Pointe D'Esny, possesses a beautiful sea view of the lagoon of Grand Port. The Villa is positioned on an elevated garden, 2 metres above sea level and assures the privacy needed from the people on the beach. Furnished with teakwood, the villa comprises all the facilities found in a luxurious beach villa.

The spacious living room and dining room, decorated with local art paintings, include an open sea facing terrace on one side and a huge garden terrace with a sliding glass door on the other side. Besides having a fully equipped and modern kitchen, it also has an outdoor kitchen preparation area, which lays adjacent to the laundry room. A beautifully designed and decorated master bedroom, with separate shower and separate toilet, faces the sea.

A staircase links to the first floor, where 2 garden view and 2 sea view bedrooms are to be found. 1 children bedroom, including twin beds and additional sliding beds, share bathroom with the other twin beds garden facing rooms. The 2 sea facing bedroom comprise king size bed with own toilet and shower. The master suite lives up to the same as a 5 star resort suite.
