

MANISA HOTEL

"An oasis of Mauritian hospitality"

Built in contemporary tropical style, this small but lively hotel represents a modern version of the traditional thatch and wood buildings. Its rooms are furnished with double or twin beds, each leading onto a balcony or terrace and separate bathrooms. The pool area with pool bar is situated in a tropical garden and a lovely place to relax after a day at the beach.

The Manisa hotel offers a range of health and fitness activities, such as a fully equipped gymnasium, a steam bath, a sauna, Jacuzzi and authentic ayurvedic treatments. Sega shows, a disco and a small casino contribute to the entertainment of the guests.

The newly upgraded restaurant presents a choice of a la carte menus as well as grills, seafood, Creole, Chinese, Indian and Mauritian specialties. Various shows and theme evenings are part of the hotel's weekly program.

Water sports like windsurfing, water skiing, pedalo, sailing, glass bottom boat tours and kayaking are available for an additional fee.

The Manisa hotel is located on the west coast, which is known for its dry and warm climate and romantic sunsets.
