

Wedding in Mauritius

In Mauritius, we can organize your wedding. Should it be the Civil one combined with the signing ceremony on a tropical beach or on a Catamaran at sunset, religious weddings; all other types of wedding arrangements can be discussed. We will do the utmost to make **Dreams come true in Paradise...**

Upon arrival at the hotel, our representative together with the Hotel Public Relation team will welcome the couple and arrange a suitable time to go over the arrangements for the wedding day. The wedding can take place outside under the coconut trees on the beach at sunset or another romantic spot; the ceremony normally lasts over one hour. The arrangements before and after the ceremony depend on the wishes of the couple.

Before any wedding, civil or religious, there are official documents that need to be formalised. In Mauritius the law require that a civil marriage is to be formalised before a religious wedding can be conducted.

As a local operator, Maurisun have the great experience in arranging weddings. Therefore, the couple can, with great comfort, put the responsibility in our hands. Below, you will find information and prices on formalities and two wedding samples in romantic settings.

Do not hesitate to contact Maurisun on any questions that you might have or to obtain assistance in arranging your "Precious Day"
